

A Recipe for My Mum

Cut out these ingredients and stick them on the recipe for your mum. You can add your own extra ingredients if you want to and decorate your recipe by cutting out the cupcakes or adding your own decoration so it looks

a bit like this 

Plenty of kisses

Lots of cuddles

A generous heap of patience

Loads of fun when we play games

A careful hand to wipe my tears

A big splash of kindness

Some yummy dinners

Some gentle care when I am poorly

Mix with lots of love
